MENU CONCEPT

FEAST at Rieber, open daily for lunch and dinner, offers a pan-Asian menu with seven rotating cuisines. The menu currently highlights dishes from China, Hawaii, India, Japan, Korea, Thailand, and Vietnam. Two cuisines are featured at lunch and two are featured at dinner each day.

The pan-Asian menu items are served from six different stations within the restaurant. *Bruin Wok* and *Spice Kitchen* focus on authentic dishes from featured cuisines, while the other stations offer fusion and Asian-inspired items that complement the offerings at each meal. All the Pan-Asian stations offer vegetarian or vegan options.
